

Personal data that we process:

Rohill Engineering B.V. processes the personal data that you provide to us when you submit your application via our website or by e-mail.

Below you will find an overview of the personal data that we process:

- Name
- Phone number
- Mail address
- The CV provided by you
- (Possibly) Information regarding the assessment you have taken

For what purpose and on what basis we process personal data:

Rohill Engineering B.V. processes your personal data for the following purposes:

- Selection purposes for the vacancy in question

How long do we keep personal data:

Rohill Engineering B.V. does not store your personal data longer than is strictly necessary to achieve the purposes for which your data is collected. We use a retention period of no more than 4 weeks after the end of the application procedure. We keep this information in order to be able to make a thorough selection during the application procedure. If you give permission for this, we will keep your data for a maximum of 12 months after the procedure so that you can remain in the picture for future positions. We do not use this information to promote and / or sell products or articles.

Sharing personal data with third parties:

Rohill Engineering B.V. only provides information to third parties and only if this is necessary for the execution of our agreement with you or to comply with a legal obligation.
